Pet Summer Safety Tips

Keep Your Pet Safe Around Water: It is a myth that all dogs are good swimmers. Keep a watchful eye on them around pools, lakes or any other body of water. Ensure fresh water is available to ensure your pet does not drink water from a pool.

Ensure your pet has access to plenty of fresh water and a way to cool off. Never leave pets in parked vehicles. If you notice that your pet is in distress, visit your veterinarian right away.

- 94.1A.016 What is considered uncontrolled weeds, vegetation, and dry grass?** The following is, but not limited to, a list of what is considered uncontrolled weeds, vegetation, and dry grass; (1) Any hazardous or uncultivated plant growing in profusion so as to crown out desired plant growth or otherwise disfigure a lawn; or
- (2) Any vegetation growth, including but not limited to, weeds, grasses, bushes, hedges and trees or tree branches which obstruct the vision of people in vehicles or on right-of-ways so as to interfere with the safe, full and free use of such street or right-of-way; or
- (3) Any accumulation of weeds, brambles, berry vines, or other uncultivated vegetation that exceeds the average height of fifteen (15) inches, which is overgrowing or adjacent to any legally stored vehicle, motor home, travel trailer, utility trailer, semi-trailer, pickup truck, camper or canopy, watercraft, fence or fence line, garbage cans, burn barrel, tree stump, firewood stack, decorative rock or existing boulders, fuel tanks, children's playground equipment, flower boxes, or utility pole; or
- (4) Grass that is not maintained and over fifteen (15) inches tall that is dry and brown in color and easily combustible.

With daylight increasing a little each day we still need to pay attention as we are out and about - **PLEASE** be mindful of vehicle traffic!! For your safety, please walk along the edge of the roads or in the easement against oncoming traffic.

Carry a flashlight, head lamp or wear bright colored clothes so you can be seen easier during the twilight and evening hours.

Bicycle riders— please make sure your reflectors work or you have a light so you are more visible.

Car Owners— Check your front headlights, rear taillights and brake lights to make sure that they are in working condition.

When walking or riding a bike please wear bright clothing or reflective tape and/or carry a flashlight.
Remember it is hard for cars to see you at night if you are wearing dark colored clothing.

Thank You!!

PUGET SOUND ENERGY

Call 811 Before You Dig

Summer is here- you may have plans to start construction and landscaping projects. Your friends at Puget Sound Energy want to remind you about the importance of calling 811 at least two business days prior to any digging. It is the law, and utility-owned lines are located for free.

Whether you are planning to use your employees or hire a contractor, start digging means calling 811 before each job. Outline your dig area in white paint so that the utilities will know where to mark. Even homeowners digging on their on property must call, if digging deeper than 12 inches.

Don't take a chance. Call 811 before you dig, then dig by hand within 2 feet of the markings.

Visit their Safety page to learn more about gas and electric safety, and our Business Services page for all your energy needs.

For questions, please email businessaccountservice@pse.com

PARK TRAIL

The trail from Heather to the River Park is "Use at your own risk" due to the storm damage and erosion.

LITTERING:

Please do your part in keeping our community clean. Littering effects our community and the value of our homes.

FACT: 9,250 bags of litter are picked up from valley freeways each month totaling about 1.2 million pounds.
