# Board Members Running for Re-election

## **CORY PARSONS**

I am currently on the Board of Directors. I'm running for a position on the Board. My wife Melanie and I have lived in The Pines for 17 years. My wife and I have helped out with events when we can. We have helped with the pool party, Easter Bunny ride along, cooking at the Annual Picnic, decorating our vehicle for Trunk or Treat and Thanksgiving potluck.

Our favorite place to vacation is Disneyland.

I'm looking forward to serving and helping out our community. I encourage all of the residents to come to meetings and see what we have planned for Pines improvements. I would appreciate your vote to continue on the Board.

## **CRYSTAL DETWILER**

In the short time I have spent acting as an interim director for our community I have seen some interesting challenges that face our community and our Board. I have focused my time on learning how our Board works and better familiarizing myself with our Bylaws, as well as the state and county regulations we must follow. If elected as a full member of the Board I plan to use the knowledge I have gained to help continue bettering our community. I recognize that there have been many issues in the past here and I hope to be able to find a civilized solution to past conflicts that will allow us to continue building our futures here. I have made a life-long investment in my property here, as I am sure many of you have, and I hope to be able to improve the quality of all our investments here.

# Board Members Running for Re-election

## **DAYNA BROWN**

I am running for the Board again because I have a desire to continue the work we have started. Being a part of a big HOA is a big learning experience that I am growing in. I have a BA degree from the University of Washington in social welfare, and I currently work on JBLM as a Family advocate in the ECEAP preschool program. I believe that my work and education are a strength to this community and I am willing to continue if you want me to stay. Some of the “goals” I have are to deepen the communication between the board, employees and members. I started this when I added an “updated from the board” page to the newsletter, and I am working on other avenues. (a few things I am trying out with the support of other board members are Clubhouse “Community” days, Zoom board meetings, and a Facebook board page) I also hope that more of you might choose to get more involved in this beautiful community. Thank you for your consideration.

## **SHANNA JORDAN**

I am an online student in my fourth year of Interdisciplinary Studies of Psychology and Sociology. Before I became a fulltime student, I worked in corporate finance accounts receivable and payable. I chose my career change because I have a desire to serve, and I am happiest when giving back to others. Serving on the board would give me an opportunity to affect positive change for our community. My work and school experiences afford me the ability to be open to differing viewpoints, and I believe in listening to all views, as everyone should feel heard. I am calm and I believe in thinking outside of the box for creative solutions to issues as they arise. As a homeowner I am passionate about protecting property values and making improvements that benefit myself and fellow members of the community at large. I see the changes that the board has made in our community since I have moved here two years ago, and I would like to help maintain and expand upon the positive changes. As someone trained to recognize problems and come up with reasonable solutions, I am excited at the possibility to be chosen to assist my neighbors.

# Communication from the Board of Directors

Happy July Community Members!

We accomplished our first virtual meetings last month and although we have some things to work on, they were successful in getting a few things done. I realize how much I prefer "in-person" gatherings, although I also realize that there are some people able to get on through zoom that otherwise would not be able to come to a physical meeting. In future meetings, I would like to see both options offered. To have virtual and physical meetings we will need to depend on computer and microphone accessibility inside the Clubhouse. Thank you everyone who got onto the Zoom meetings and for those of you who were unable to get on, please get me a message through the office. I will be happy to call you or come to your home and help you connect. We are also considering doing our July meetings at the clubhouse, if we do, we will do what we can so that we have the required space for social distancing. We will let you know on the reader board and on the Website and Facebook sites, where the meetings will be.

Bylaws: We were able to get majority board approval to send out the "updated" Bylaws for Member comments and voting. The board members have worked hard with our lawyer to get these to you. Thank you for taking the time to look them over and soon, to vote on them. There will be instructions inside the mailing on where to get your copy of the draft of these updated Bylaws.

Pool Days: One of my most favorite things I enjoy about living here is our beautiful pool, especially the people I meet when I go to swim. I am feeling the same as many of you, "please open our pool and let the sun come out to stay!" I want you to know that Paulette has been working very hard to get it ready for us. We have had an issue with the new chlorinator, but that is was fixed by a professional company now we are having a filter issue. The county restrictions are another thing we must work with. Keep checking in on the reader board or call the office for updates on the pool.

Security: Last year members voted to update our security cameras. Charity has been able to get bids on three companies and all of them are high priced as well as wanting us to commit to additional monthly charges. After some discussion the board is agreeing to purchase cameras from the allotted funds and install them ourselves. We would love to have input and help from any of you who have done this before. Do you have a camera system you recommend? Would you be able to come help us install them? If you are interested in this, you can message the board using our email: [npboardofdirectors@gmail.com](mailto:npboardofdirectors@gmail.com) you can call the office and leave a message for us, or you can use the Facebook Group page: Nisqually Pines Board of Directors. Please connect with us soon.

I want to Thank Fran Wilson for allowing me to come to your home and help you with the Zoom video program. We both learned from the questions and issues you were having. It was also good to see you and spend quality time in your beautiful home. I am open to meet with any members having the same concerns. We are all learning together, although it can be a bit challenging it is good.

If you are having concerns or issues due to the Corona Virus, please let us know by contacting the office or using the board email.

Thank you!

Stay healthy and safe, Enjoy the summer.

Dayna Brown,

Board President

# KEEP YOUR PETS

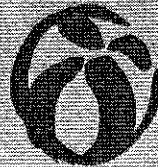

## Healthy and Safe This Summer

By Dr. Barbara Royal, DVM, CVA, owner of the Royal Treatment Veterinary Center

### 120 Degrees

The inside of your car can heat up to 120 degrees within 10 minutes (even with the windows cracked). Never leave your pet in the car even if just for a few minutes.

### Play Time!

Exercise and socialization are important to your pet's health. Encourage interaction but remember to keep them hydrated and have a resting place in the shade.

### Say NO to Chemicals

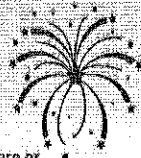

Avoid pesticides, herbicides and fungicides for lawn care, pest control and flea and tick medications. Natural is better!

### Be Cool

Avoid any treats with carbs or grains that can increase heat and inflammation. Try our recipe below to make "cool" treats for your pet.

### Shhhhh!!!

Loud noises like fireworks can scare or confuse your pet. Be sure to leave them at home to reduce their anxiety. If the outdoor noises still scare them, try NOW® Pets Relaxant 30-60 minutes before the big kick off.

### Beat the Heat With This Cooling Treat

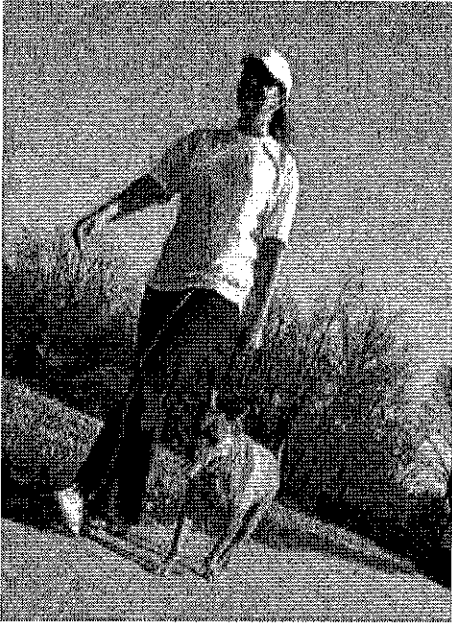

- 1 Cup Plain Organic Yogurt
- 1 Cup Hot Organic Chicken Broth
- 1 Pinch Black Pepper
- 1 Jar of Meat Baby Food
- 2 Tablets NOW® Pets Relaxant, Crushed
- 1/2 Tsp Turmeric Powder
- 1 Tbsp Raw Honey

#### Optional:

- 1 Tbsp Apple Cider Vinegar
- 1 Tsp Aloe Juice
- 1 Tbsp Peppermint, Chamomile or Sage Tea

Mix together, spoon into ice cube tray and freeze. Your pet will love them.

**ATTENTION DOG OWNERS**

Dogs are to be on leashes at all times when outside their fenced yards. This includes all park areas which are river park, little lake park, clubhouse park area, playground by the office and the office area.

Please make sure you are cleaning up after your pet!

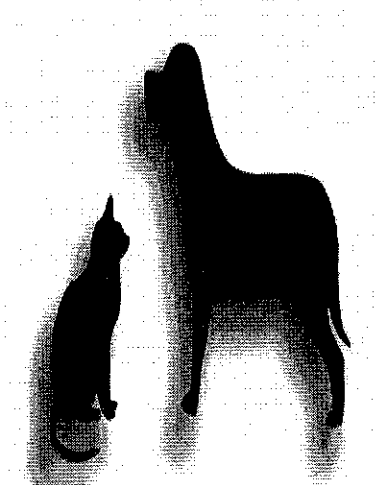

**Pet feces is toxic!!**

**Thank You!**

If your dog is lost and you cannot find him/her, you have options to recover your missing pooch:

- Post it on the bulletin board at the Pines Office
- Call the Yelm Veterinary Clinic 360-458-7707
- Call the Yelm Animal Shelter 360-458-8438
- Post on the Nisqually Pines Event Page

River Park hours

**\*The River Park is for members and their guests only\***

Any vehicle found in the River Park parking area without a Nisqually Pines Pass will be towed at the owners expense. Parking is allowed only in the park. Any vehicle on or near the road will immediately be towed.

Open year round

Hours are 8am to 9:00pm approximately

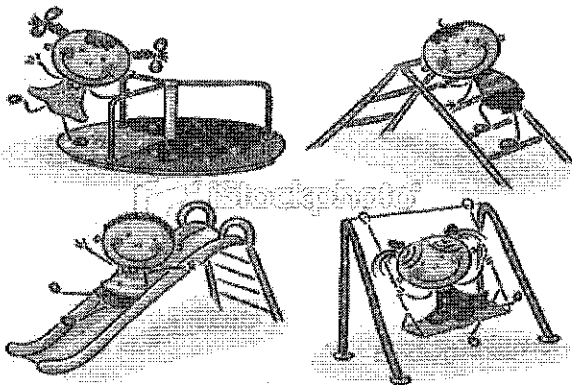

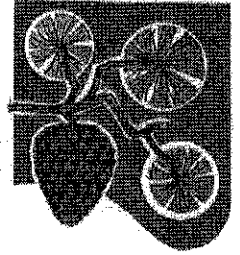

Sat & Sun Hours: 11am-9pm

No lifeguard on duty - swim at your own risk.

No alcohol permitted on the premises.

No fires or over night camping!

Per Fish and Wildlife Dept. **ONLY Catch and Release** fishing is allowed on the Nisqually River!!

The schools have been closed due to the covid-19 virus.

Please remember that kids are outside playing and enjoying their time off. Be mindful and watch for children playing since they sometimes don't remember to watch for vehicles.

## **Board Updates**

We meet once a month, meetings have been very productive and we feel we are getting a lot accomplished. However, the additional members would allow us to get more accomplished faster. Please come check out a meeting or two and see what is happening in our community and how you can help!

The port-a-potty's will start to be locked up at dusk and unlocked in the morning when the maintenance gets here. The two play area parks will close at dusk and the River Park will close at 9pm.

Persons with disabilities who require accommodation or alternative means for communication of program information should contact (Nisqually Pines at (360)458-7370) at least eight (8) days in advance of this meeting.

It is staying lighter outside now that summer is here - **PLEASE** be mindful of vehicle traffic!! For your safety, please walk along the edge of the roads or in the easement against oncoming traffic.

Carry a flashlight or wear bright colored clothes so you can be seen easier during the twilight and evening hours.

Bicycle riders— please make sure your reflectors work or you have a light so you are more visible.

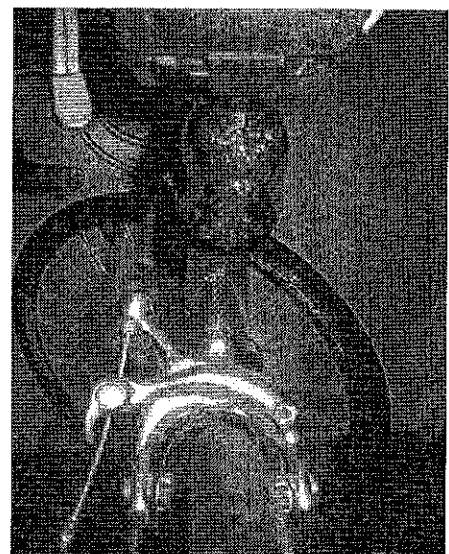

Car Owners- Check your front headlights and rear taillights to make sure that they are in working condition.

When walking or riding a bike please wear bright clothing or reflective tape and/or carry a flashlight.

Remember it is hard for cars to see you at night if you are wearing dark colored clothing.

Thank You!!

## PUGET SOUND ENERGY

### Call 811 Before You Dig

As summer approaches, you may have plans to start construction and landscaping projects. Your friends at Puget Sound Energy want to remind you about the importance of calling 811 at least two business days prior to any digging. It is the law, and utility-owned lines are located for free.

Whether you are planning to use your employees or hire a contractor, start digging means calling 811 before each job. Outline your dig area in white paint so that the utilities will know where to mark. Even homeowners digging on their on property must call, if digging deeper than 12 inches.

Don't take a chance. Call 811 before you dig, then dig by hand within 2 feet of the markings.

Visit their Safety page to learn more about gas and electric safety, and our Business Services page for all your energy needs.

For questions, please email [businessaccountservice@pse.com](mailto:businessaccountservice@pse.com)

Routine Patrol means house checks, Clubhouse, River Park, Office and area patrol. If you see something suspicious, call 911. Don't wait until the next day and call the Pines Office. **\*\*Please note that if you call the Sheriff and they aren't in the Pines on our time, their response time will vary on type of emergency. \*\***

The non-emergency number for the sheriff is 360-704-2740 Please lock doors and don't leave valuables in your vehicles. If you are going on vacation, you can have the sheriff check your house to make sure it is secure.

Fill out a vacation request form at the office.

Since we have the Thurston County Sheriff in The Pines we have seen less criminal activity.

Suspicious Activity contact Thurston County Narcotics Task Force
