New Edition

Communication from the Board of Directors

Happy June Everybody!

I hope you are doing well and expecting enjoyable summer plans. I want to update you on some of our latest Pines news.

First, we had a beautiful, perfect Pool Unveiling event on May 23rd. Thank you everyone who was able to come and support a new artist. (Sarah lives in Yelm and graduated from YHS in 2004) it was uplifting to see and hear the reactions of the children, their parents and members as they found colorful surprises on the once boring walls. A huge Thanks to Stephanie Grubb for all of your help in the event planning! As well as to Charity Mayerl for contacting the Nisqually Valley News, JW Foster and Yelm City Council. The success of this event was a huge team effort and everyone who helped Thank you so much! I feel the need to clear up some "rumors" regarding any payment toward the mural. There was NO payment in any form for this mural. Sarah and her family donated their supplies and time to this project. (paint, primer, tarps etc..) When she was half through and realized the need to protect the art, we as a board offered to pay for up to \$2000 for the needed clear gloss covering. Amount charged to us was \$1576.67. We also offered up to \$800. toward paint and supplies to help get her through the last half of the mural. She did not use that entire amount, waiting on the billing for exact numbers. The funds for this will be moved out of the maintenance budget.

A new addition to our small park is the swing set that includes and "Expression" swing. This is for parent and toddler to play and engage! I hope parents, grandparents will be enjoying this addition often. The funds for the swing set was from our long range plan and voted by the members in 2016.

In conclusion, I want to encourage you to please vote for our next board members. Make the decision that you believe is best for you and our community as a whole. I have enjoyed my time as a board member and thank you for giving me this opportunity. It has been a huge learning experience, with good times and some really tough ones as well. Please remember all of the board are volunteers some of us have full-time jobs, we all have families and a desire to serve. If you have ever considered becoming involved in our community as a board member please let us know. You can get an application at the front office and are welcome to join us at a board meeting to see what we do. If you are unable to participate in that way, please support us by voting, coming to an event and sending us encouraging messages. We appreciate all of our members.

Thank you!

Dayna Brown
President

Meet the new addition to my family,
Molly! She is 9 weeks old and a total joy.
Have a great summer!

Upcoming Events

The pool will be open
weekends until school is
out on June 21st
Pool Hours: 12pm-8pm

BP GAS LINE REMOVAL OF TREES

Have you noticed the pink tape around some of the trees on
Pepperidge and Port Orford?

If so the BP Gas Line tagged these specific trees for removal due to the root's that can cause damage to the pipeline. Brothers Pipeline Corp. will be handling the tree removal and the expense for having this done. They will cut down the trees and leave for The Pines residents and the wood chips will be taken down to the river park for your use. They will let us know when this is to take place and we will let the residents know on the Reader Boards.

GREENBELTS AND COMMON AREAS

The greenbelts are to remain in their natural state. They are a buffer between neighbors and clubhouse area to help keep the noise level down.

Our maintenance men have been cleaning up the greenbelts and we have found things that are not to be in there.

The greenbelts and common areas are not your personal garbage can. There is to be no dumping of yard debris, grass clippings, tires, aerosol cans, glass bottles, milk jugs, car parts, partially burned mini blinds, wire fencing, toys, furniture, chandeliers, bondo for cars, aluminum cans, seats to vehicles, household garbage, shoes, socks, etc.

Here are a few pictures of items that I have found and started cleaning up.

If you have been using the greenbelts for a dumping ground then you need to get it cleaned up before I come and find it and send you a warning letter that can turn into a fine.

This is where we live and it is our responsibility to keep clean.

Five Summer Dangers for Pets

Spending time outdoors this summer? Keep these safety tips in mind to ensure your furry friends are comfortable.

Sun & Heat

Pets can become dehydrated quickly. **Know the signs of overheating** (excessive panting, increased heart rate and weakness) and make sure your pet has access to fresh water and a shady or air conditioned place.

Fireworks & Thunderstorms

One in five pets goes missing after being scared by loud noises, so keep them in a quiet, secure area at home. If your pet does go missing, **download the ASPCA app** for a free step-by-step toolkit to help find your pet: ASPCAapp.org

Parties & Barbecues

Make sure your pet can't get into human food (especially grapes, onion, avocado and chocolate) or alcoholic drinks.

Hot Cars

Don't leave your pet in the car! Even with the windows cracked, a car's temperature can reach 100° in 10 minutes on an 85° day. Sign our hot car pledge at aspca.org/hotcars

Toxic Chemicals

Insecticides, insect repellents, sunscreen, citronella products and glow sticks are toxic, so keep them away from your pet.

ATTENTION DOG OWNERS:

Dogs are to be on leashes at all times when outside their fenced yards. This includes all park areas, including River Park, Little Lake Park, playgrounds, clubhouse park area and office area. At the dog run area there are bags for your use. Please pick one up so that you are able to clean up after your dog.

THANK YOU!!

If your dog is lost and you cannot find him/her, you have options to recover your missing pooch:

Post it on the bulletin board at the Pines Office

LOOSE DOGS

We cannot ask enough...Keep your pets confined to your yard!

The Pine's continues to have problems with loose dogs. If you see a loose dog, come and fill out a complaint form with the address of the home owner and the office will send out a letter as a friendly reminder 1st offense and 2nd offense is \$100 fine.

If you are a dog owner, or know someone who owns a dog, please inform them it is a violation within the Pine's and Thurston County to let dog (s) run loose outside unattended. There is a county wide leash law which applies to the Pine's. If your dog (s) is an inside dog and you let it out to relieve itself, please keep it confined to your own yard.

There are many residents who like to go for walks and do not appreciate fending off dogs. Nor do they like to clean up "presents" left behind by wandering dogs or step in it. YUK. Please consider your neighbors. Thank you for being a considerate pet owner.

River Park hours

The River Park is for members and their guests only

Any vehicle found in the River Park parking area without a Nisqually Pines Pass will be towed at the owners expense. Parking is allowed only in the park. Any vehicle on or near the road will immediately be towed.

Open year round

Hours are 8am to 7:30pm approximately

Sat & Sun Hours: 11am-9pm

No lifeguard on duty - swim at your own risk.

No alcohol permitted on the premises.

No fires or over night camping!

Per Fish and Wildlife Dept. **ONLY** Catch and Release fishing is allowed on the Nisqually River!!

Now that spring is here the mornings are light out.

However we still need to be careful and watch for the upper grades and the elementary as they walk to the bus stop in the mornings and after school in the afternoon.

Speed limit is 20mph

Reminder: Last day of school is June 16th

If you choose to burn your yard waste, and live in an area where it is legal to do so, please follow these guidelines:

- Check Permit Requirements** for your area. For instance, all fires within Thurston County require permits. **Do NOT** use a burn barrel. Burn Barrels and other burn containers are illegal under state law and there use may result in fines.
- Burn only natural vegetation** from your own property. Trash burning is illegal and may result in fines of up to \$14,915.
- Check the weather** prior to starting your burn. Don't burn during air stagnation events nor in windy conditions.
- Fires must be attended at all times** and must be completely extinguished.
- Do NOT create a nuisance.** You are responsible for your fire. Creating smoke, odor and ash that unreasonable impacts neighboring properties is illegal.

PUGET SOUND ENERGY

Call 811 Before You Dig

As winter/spring approaches, you may have plans to start construction and landscaping projects. Your friends at Puget Sound Energy want to remind you about the importance of calling 811 at least two business days prior to any digging. It is the law, and utility-owned lines are located for free.

Whether you are planning to use your employees or hire a contractor, start digging means calling 811 before each job. Outline your dig area in white paint so that the utilities will know where to mark. Even homeowners digging on their on property must call, if digging deeper than 12 inches.

Don't take a chance. Call 811 before you dig, then dig by hand within 2 feet of the markings.

Visit their Safety page to learn more about gas and electric safety, and our Business Services page for all your energy needs.
