HUMMINGBIRD NECTAR

- Combine a ratio of 4 parts water to 1 part table sugar
- Bring water to a boil to break down the sugar completely
- Once the mixture is cool, fill feeders
- Refrigerate what you don't use between fillings

Pure white sugar is the safest option for DIY hummingbird nectar. Avoid brown sugar, honey or artificial sweeteners. Many also consider organic sugar, which doesn't tend to be fully refined to pure sucrose, unsafe for feeding hummingbirds. Skip the red food dye in your hummingbird mixture! The birds don't need it, and it's easier to monitor the freshness of colorless sugar water.

You can avoid moldy hummingbird nectar by filling feeders only halfway and cleaning them before each refill.

Placing your feeders in the shade will help keep your homemade nectar from spoiling too quickly. Change out the mixture every three to five days-and more frequently on hot days. If feeders are empty, the birds will look for food elsewhere. Foil territorial nectar hogs by putting up several hummingbird feeders out of sight from one another.

Recipe: Birds and Bloom

LOADED HASH BROWNS CASSEROLE
MAKES 8 SERVINGS
RECIPE FROM COMFORT FOODS MAGAZINE

1 lb. ground mild pork sausage
1 cup chopped red bell pepper
1 cup chopped yellow onion
1/2 cup chopped green onion
3 tbsp. unsalted butter
3 tbsp. all-purpose flour
1 1/2 cups whole milk
1 1/2 cups chicken broth
2 cups Monterey Jack cheese w/peppers
2 cups shredded sharp Cheddar cheese, divided
1 cup sour cream
2 tsp hot sauce
1 1/2 tsp seasoned salt
1/2 tsp ground black pepper
1 (26-oz) pkg frozen shredded hash browns potatoes, thawed
Garnish: chopped fresh chives

- 1) Preheat oven to 350 degrees
- 2) In a 12-inch cast-iron skillet, cook sausage over medium heat until browned and crumbly. Remove sausage with a slotted spoon, and drain on paper towels, reserving drippings in skillet. Add bell pepper, yellow onion, and green onion to skillet; cook, stirring occasionally, until tender, about 5 minutes. Remove from skillet using a slotted spoon.
- 3) In same skillet, melt butter over medium-high heat. Whisk in flour; cook, whisking constantly, for 1 minute. Gradually whisk in milk and broth until smooth; bring to a boil. Reduce heat to medium-low; cook, whisking frequently, until thickened, about 10 min. Whisk in Monterey Jack and 1 cup Cheddar until melted. Whisk in sour cream, hot sauce, salt, and black pepper. Remove from heat.
- 4) Add hash browns, sausage, and vegetables to cheese sauce, stirring until well combined. Sprinkle with remaining 1 cup Cheddar.
- 5) Bake until browned and bubbly, 45 to 50 min. Let stand for 15 minutes before serving. Garnish with chives, if desired.

Hours are 8am to 7:30pm approximately

Sat & Sun Hours: 11am-7:30pm

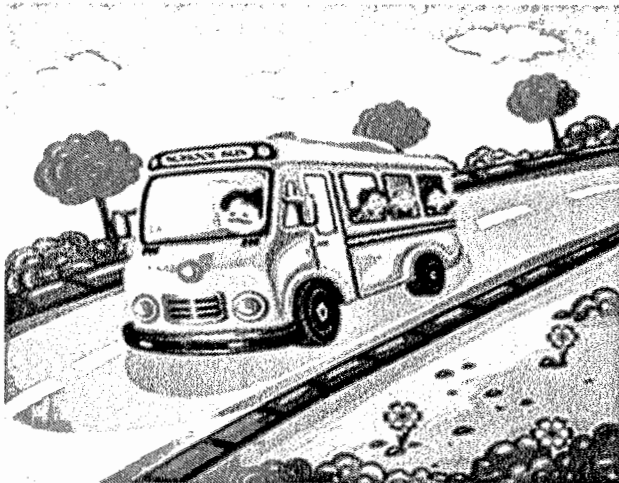

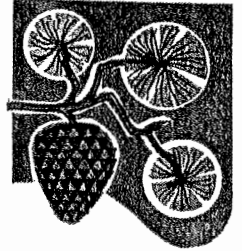

No lifeguard on duty - swim at your own risk.

No alcohol permitted on the premises.

No fires or over night camping!

Per Fish and Wildlife Dept. **ONLY** Catch and Release fishing is allowed on the Nisqually River!!

WA Dept. of Fish & Wildlife phone # (360)902-2200

Mornings are dark when the upper grades are going to the bus stop. Elementary children have daylight when going to bus stops. Reminder: drive slow and watch for children walking and waiting at their bus stops.

SPEED LIMIT 20mph

Please renew your burn permit. You can go online at www.orcaa.org

General Outdoor Burning Rules

Check Permit Requirement for your area. For instance, all fires within Thurston County require permits.

Do NOT use a burn barrel. Burn barrels and other burn containers are illegal under the state law and their use may result in fines.

Burn only natural vegetation from your own property. Trash burning is illegal and may results in fines up to \$14,915 dollars.

Check the weather prior to starting a burn. Don't burn during air stagnation events nor in windy conditions.

Fires must be attended at all times and must be completely extinguished.

Do NOT create a nuisance. Your responsible for your fire. Creating smoke, odor, and ash that unreasonably impacts neighbors properties is illegal.

1st fine-\$100 2nd fine-\$250 3rd fine-\$500 4th fine-\$1,000

Speed Limit is 20 mph

SPRING

TIPS FOR

PET SAFETY

Certain flowers and plants are poisonous to our furry friends. Be mindful when planting your spring garden.

Now is the perfect time to microchip your pet!

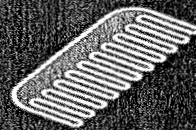

Be careful when using fertilizers and pesticides on your lawn.

Ready to do some spring cleaning? Keep toxic chemicals away from your pets!

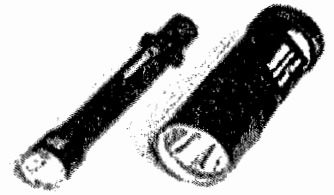

Make sure that your pets are protected against spring fleas and ticks.

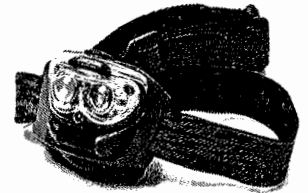

With the weather getting warmer, you'll want to make sure that your pets are well groomed.

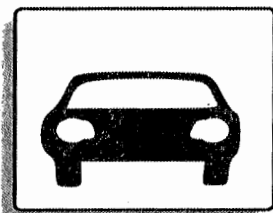

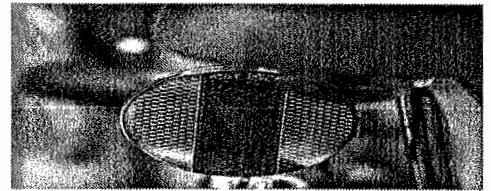

With daylight increasing a little each day we still need to pay attention as we are out and about- **PLEASE** be mindful of vehicle traffic!! For your safety, please walk along the edge of the roads or in the easement against oncoming traffic.

Carry a flashlight, head lamp or wear bright colored clothes so you can be seen easier during the twilight and evening hours.

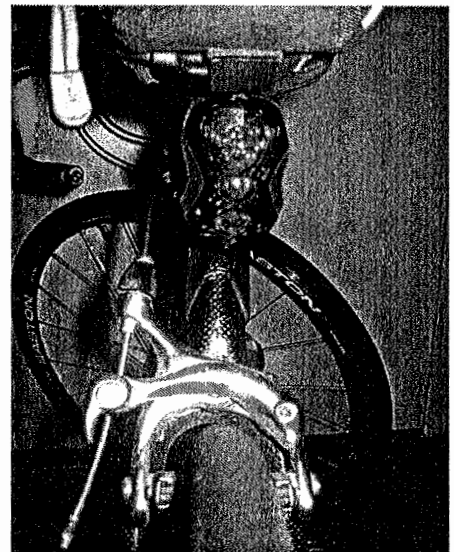

Bicycle riders— please make sure your reflectors work or you have a light so you are more visible.

Car Owners— Check your front headlights, rear taillights and brake lights to make sure that they are in working condition.

When walking or riding a bike please wear bright clothing or reflective tape and/or carry a flashlight. Remember it is hard for cars to see you at night if you are wearing dark colored clothing.

Thank You!!

PUGET SOUND ENERGY

Call 811 Before You Dig

Winter has arrived and you may still have plans to start construction and landscaping projects. Your friends at Puget Sound Energy want to remind you about the importance of calling 811 at least two business days prior to any digging. It is the law, and utility-owned lines are located for free.

Whether you are planning to use your employees or hire a contractor, start digging means calling 811 before each job. Outline your dig area in white paint so that the utilities will know where to mark. Even homeowners digging on their on property must call, if digging deeper than 12 inches.

Don't take a chance. Call 811 before you dig, then dig by hand within 2 feet of the markings.

Visit their Safety page to learn more about gas and electric safety, and our Business Services page for all your energy needs.

For questions, please email businessaccounts@pse.com

PARK TRAIL

The trail from Heather to the River Park is "Use at your own risk" due to the storm damage and erosion.

Where Does Litter Come From?

1. Household trash leftover or spillover from garbage collection (so when garbage's spills out please make sure you clean it up)
2. Pedestrians (don't throw garbage on the ground wait until you are home or find a trash can)
3. People in cars (have a trash bag in the car and dispose of at home.
