Pick color of stain for cupboards- Swatches will be available

Office hours for winter: Water is no longer here til 5pm. (Julie left) It gets dark before 5pm. Are we going to change the office hours for winter (Nov-March) to closing at 4pm or get some sort of light shining off the shop to the parking area? The solar light that we have now is not efficient. The pole is rotted, and we cannot put a light back on it.

Estimate for framing up shed with concrete like other shed. –
